## PASTOR'S MESSAGE

"Oh, taste and see that the LORD is good!  
Blessed is the man who takes refuge in him!"  
Psalm 34:8 (ESV)

As November fast approaches, the thoughts of many turn to Thanksgiving with all the traditions that surround the holiday and make the observance what it is today. There is the parade that lights up televisions and evokes memories of years past. Some busy themselves with football games, both those on television and the ones that take place in the backyard, to fill the time as they wait for the meal. Family and friends gather from near and far to share each other's company and the food. The food, we can't forget the food.

For many, the defining characteristic of Thanksgiving is the food, more than any of the other traditions. The turkey and stuffing, the casseroles and potatoes, and don't forget the dessert – you have to have those, or else it's just one more family dinner among the many that happen in life. Still, just having those foods is not enough; they have to taste right. If the stuffing doesn't taste just like the way Grandma makes it, then it's wrong. If the cornbread or the casserole or the pie aren't exactly the way you expect them, then something just isn't right.

Our sense of taste has developed over the centuries to tell us what is good for us to eat and what is not. For example, we naturally gravitate towards things that are sweet; not sweet like candy, but sweet like a mother's milk or fresh fruit. Foods that are overly bitter or sour have often begun to spoil, so the most common reaction is to avoid them. The way God has made us, we are literally able to taste something and know if it is good, just as the Scriptures say.

Soon, some of the Youth of our congregation will have the chance to taste and see for themselves that the Lord is good. Our

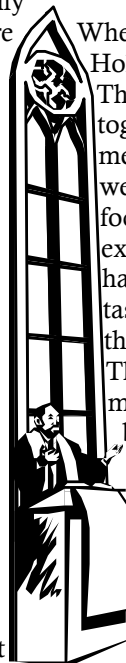

Confirmands have finally finished preparing to receive the Sacrament of the Altar for the first time and will be making their First Holy Communion in the coming weeks. They will gather at the Lord's table with their families to eat and drink our Savior's very body and blood under the bread and the wine. They will share in that meal which the Church, for centuries, has called the "Eucharist" – the "Thanksgiving" – and will receive Christ's good gifts of forgiveness of sins, life, and salvation.

When you think about it, what goes on in Holy Communion is a lot like our Thanksgiving dinners. A family gathers together around the table to share in the meal. Even if other things happen before we get to the table, the meal is the main focus of the gathering. We have our expectations about what is supposed to happen and how things are supposed to taste, and we feel like something is off if they don't meet our expectations. Through it all, we're reminded of just how much God has done for us and how blessed we truly are.

The Thanksgiving holiday – with the parade and the football and the turkey with all the fixings – may only come once a year, but you don't have to wait for the fourth Thursday in November to share in the thanksgiving meal. It's celebrated at the Lord's table every other Sunday, as Christ Jesus invites you, His family, to join Him in the meal and be blessed with the gifts He gives. Come and gather with us around the table, share in the Thanksgiving (the Eucharist), and taste and see for yourself that the Lord is good.

God bless you, and have a happy and healthy Thanksgiving!

In Christ,  
Pastor David Rowold

## NEWS FROM THE SOCIAL WELFARE DEACON...

### Help Feed the Northeast:

Thrivent is once again giving us the opportunity to help combat food insecurity in our community by offering a \$500 donation to the first 100 Thrivent Action Teams to collect 500 food items between Oct. 1 and 31, 2021. With all of your generous donations along with a Thrivent Action Team Grant, we were able to deliver 855 items of food to the Cheshire Community Food Pantry on October 19<sup>th</sup>. We hope we are one of the first 100 Thrivent Teams to achieve this goal.

Vicki DePaolo, Social Welfare Deacon

## CHESHIRE LIGHTS OF HOPE 2021...

Cheshire Lutheran Church will be participating in Cheshire's "Lights of Hope" on Saturday, November 13th. "Lights of Hope" has evolved into an annual event that now benefits several Cheshire non-profits like the food pantry and Cheshire Youth and Social Services. Proceeds also go towards student scholarships and to The Petit Family Foundation. Cheshire's "Lights of Hope" unites the community by lighting up the town and creating a brighter world while benefiting local charities and promoting volunteerism.

## SUNDAY SCHOOL NEWS...

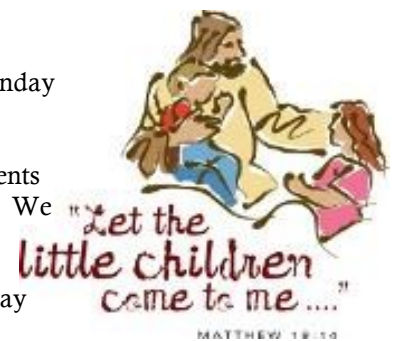

Please join us for Sunday School and Youth Bible Study. We are meeting in person every Sunday this year.

We start each week with a brief opening at 9:10 AM in the Sanctuary. Please drop your students off in the Church Sanctuary at 9:10 AM and meet them in the Fellowship Hall at 10:10 AM. We look forward to seeing you there.

Parents, please watch your email for questions about December and the possibility of a Sunday School Christmas Program. Thank you.

Youth Bible Study participants, the materials we have this year for you are different than the traditional Sunday School materials. They are discussion based and, the more of you that attend, the more interesting the study will be. Confirmation was one important step on your journey, but not the end of your journey. It was the point that you made for yourselves the promises your parents made for you in Baptism. Please come out and spend time in God's Word with your peers, where you can encourage one another along your journey.

Tricia Rowold  
Sunday School Superintendent

## CANS AND BOTTLES—BOTTLES AND CANS...

Save your returnable Bottle and Cans. Money raised will benefit Little Cherubs. A collection can is located at the back of the Fellowship Hall by the storage closet.

## NEWS FROM OUR LITTLE CHERUBS...

Hello to all! Little Cherubs has had a wonderful start to the new school year. We can not tell you how much we have loved watching the children change and grow already in such a short time. They all have made new friends and are learning wonderful things about God's world around us. We are so proud of the children. They are amazing learners.

They continue to wear masks during school time. They still get mask breaks during snack time and outdoor play time. We, the teachers, are having difficult times wearing the masks all day. We have trouble breathing and get so hot. I know we all can't wait until we don't have to wear them any longer.

The parents have been wonderful following our school policy, the CDC, and the local health department policies. If the children are sick the parents have been keeping their children home. We have not had any COVID-19 break outs.

The 4's have gone for a walk on the Trail. They are learning about Fall/Autumn. Learning about how the world changes and getting ready for wintertime. The 3's, as well, have been learning about Fall/Autumn.

Both the 3's and 4's are learning about pumpkins- sorting them, weighing them, grouping them, feeling the insides of them and completing art projects related to pumpkins.

It has been fire safety month. The 4's had Fireman Nick come to our school to teach them about fire safety. The 3's learned about 911 and what we do in an emergency.

The 3's have been learning about what it means to 'harvest' and learning a bit about animals and how they get ready for winter.

In the 4's class we have been carrying on the special traditions that Martha had in place, celebrating special days throughout the month. Friday, October 8, was national egg day, so we did fun learning activities in the 4's class. The 17<sup>th</sup> was national pasta day. On the 22<sup>nd</sup> of October we will make pasta and read the story Strega Nona. The 27<sup>th</sup> is Teddy Roosevelt's Birthday. The children will wear their pj's and bring their favorite teddy from home. We look forward to hearing all about their Teddy.

We don't celebrate Halloween in our school but have asked the 4's to bring in what they will be wearing to share for show and tell on Friday the 29<sup>th</sup>.

Bible has been so special, learning about the life stories of Moses. The 3's also learned about Joseph and his amazing coat. Watching them retell the stories is so heartwarming. Pastor continues to come into our classroom for both the 3's and the 4's. They love having Pastor in our classroom.

Lastly, for the month, we have been learning letters E-H, numbers 5-8, the colors Orange, Purple, Brown, and Black. We have been growing our knowledge about shapes.

We are looking forward to a wonderful fall season.

Miss JoAnn, Miss Cindy, Miss Beth and Miss Jen

### November 2021—Edythe "Diddy" Izard

CLC's featured member for November 2021 is Edythe "Diddy" Izard. Diddy and her late Husband, Richard "Dick" Izard became members of Cheshire Lutheran Church in the early 1960's. Their son, Rick, was the first acolyte at CLC, assisting Pastor Nuechterlein with services.

Diddy and Dick were both born and raised in Staten Island, NY and they met in High School. Both ran for the office of Class President -- "Dick Won" ! She knew Dick for almost 10 years prior to their marriage on August 18, 1946 at Zion Lutheran Church in Staten Island, NY.

Dick served during WW11 as a Marine Corp fighter pilot. Diddy has many photos of the plane he flew, the F4U, and is proud to show the photos along with memorabilia from his years serving our country. Dick also had the pleasure of meeting President Eisenhower while attending Columbia University in New York.

Diddy worked at IBM on Madison Avenue in NY City during her early years of marriage. She started out in the Steno Pool, then on to the Personnel Department and later became Secretary to the Vice President and General Manager. She also arranged social functions and parties for the office.

When they started their family, she became a homemaker and loved to bake. Her parents were born in Norway, and at the age of 6, she and her parents spent two month's in Norway -- Diddy remembers the quality time she spent with her grandmother. When she returned home, she received a letter from her grandmother written in Norwegian for her to translate.

Diddy has such "fond memories" of the CLC "Thursday Ladies Group" that Carolyn Bammann organized for many years. Carolyn suggested at one time that the ladies put together some photos and memories of their lives; perhaps in an album or scrapbook. Something fun for them to discuss and look at when they met the next time. Diddy was excited to show me her album-what beautiful memories! She thought that was a great idea and everyone should think about doing it.

She shared numerous photos she has in her home that include friends from CLC over the years: The Terkelson's (they also were members at Zion Lutheran in Staten Island), the Hagstroms, the Smith's, the Carson's, the Kenney's, the Juul's and many more.

How they ended up in Cheshire, CT is a story that will make you smile --- Dick was working for GE in Louisville, KY displaying appliances at a Trade Show; he decided to turn an oven on and bake an apple pie. The aroma of the pie drew some gentlemen from Scoville Manufacturing in Waterbury, CT to Dick's booth and eventually they offered him a job.

Dick and Diddy owned a stained glass business and numerous examples of their work are displayed in her home. Diddy also learned to do silk screening and what a talent she has for making miniature display cases.

They raised four children; two girls and two boys. One of their Ssns is deceased. She shared with me that she made both of her daughter's wedding gowns ! She has eight grandchildren and her greatest accomplishment is her family.

She and Dick loved camping trips with other couples from CLC and she remembered one Sunday camping trip that the group was on and, of course, they were not in attendance at CLC that morning. But she said: someone in the group brought a suitcase with hymnals and they had services at the campground. I think many of us know who that was!

In 2009, they moved from their house in Cheshire to Elim Park; Dick passed away on July 4, 2009 .

Thank you to Diddy and her late husband, Dick, for their many years of service and being an important part of CLC's Congregation.

## CHESHIRE FOOD PANTRY THANKSGIVING COLLECTION...

The Cheshire Community Food Pantry is preparing 170 Thanksgiving Baskets for people in need in our community. The houses of worship in town are helping out, with each of us collecting specific items. Here at CLC we've been asked to bring 170 cans of yams and 170 boxes of stuffing mix. If you'd like to donate, please bring your donations to Church by Noon on Thursday, November 11.

## NEED TO GET INFORMATION TO CERTAIN MEMBERS OF OUR CONGREGATION?

Just slip your information or a note into one of the folders on the hallway table outside the church office. Folders have been created for each of the council members, Beth Soulier (the editor of this newsletter) and a few others, and placed outside the office. We have found that this is a great way to distribute information within the congregation.

## NEWS FROM THE FINANCIAL SECRETARY...

### Reminders from Your Friendly Neighborhood Financial Secretary:

- ✦ If you have Pledge envelopes PLEASE use them, having to lookup members envelope numbers can lead to human error.
- ✦ Please remember to mark on the outside of your offering envelopes with the exact amount of money enclosed. This is a very important check and balance for us.
- ✦ If you've been absent for some time and want to bring your offerings up to date, kindly use ONE rather than MANY envelopes - since the fewer envelopes our financial assistants must handle, the lighter their workload.
- ✦ PLEASE do not post-date checks.
- ✦ PLEASE use black or blue ink for your checks. Our friendly bank tellers thank you.

The Financial Secretary is always in need of volunteers to aid in counting church offerings after Sunday services or Monday night, based on volunteer preference (and appropriate to current COVID-19 physical distancing requirements) If you are available 1 or 2 months per year for approximately one hour a week, please contact Bill Soulier, our Interim Financial Secretary.

The Financial Secretary has a new church e-mail address if you wish to volunteer or have a question email me.

## THANKSGIVING SERVICE REMINDER...

We will be having our traditional Thanksgiving Eve Service on the Wednesday evening (November 24) before Thanksgiving at 7:30 PM. The service will be in person and live streamed on YouTube (just like Sunday mornings). Print copies of the bulletins for Thanksgiving Eve and the following Sunday will both be available from the Church on Tuesday, November 23, from 10 AM to Noon.

I have a dilemma. I am not sure if you, our CLC membership, makes my job of Stewardship Deacon **easier** or **harder**, thru the lens of financial stewardship (giving of our “treasure “). Not to worry, its all good, whichever way you look at it. But I suppose it depends on your perspective. Here’s what I mean.

**Easier:** CLC members certainly make the role of the Stewardship Deacon easier from a financial perspective, given the generosity of your giving. As of the last calendar month for which offering data is available, giving toward our work plan was above budget! My recollection for most of the years I have been at CLC is that we are less than budget at this point in the year. Furthermore, special gift offerings (over and above our work plan offerings) additionally underscores the generosity of CLC members. For example, generous contributions were received to support the technology for streaming our weekly Sunday morning services, making them available online. Thank you for your continued generosity.

**Harder:** Given the above good news, what is left to say? It is a harder conversation to ask for more, when we are already hitting our goal. But in reality, there are some “harder” conversations we can have and discuss together. Should we set more aggressive work plan goals? Increase our “world wide” giving? (Note: CLC in some year’s past did have a higher percentage of world wide giving than we do now). And tithing - or offering one tenth of one’s income - is cited in the Bible. Leviticus 27:30 says, “A tithe of everything from the land, whether grain from the soil or fruit from the trees, belongs to the Lord: it is holy to the Lord.” These are the harder conversations, mentioned here for your consideration.

Let me know what you think!  
Respectfully,

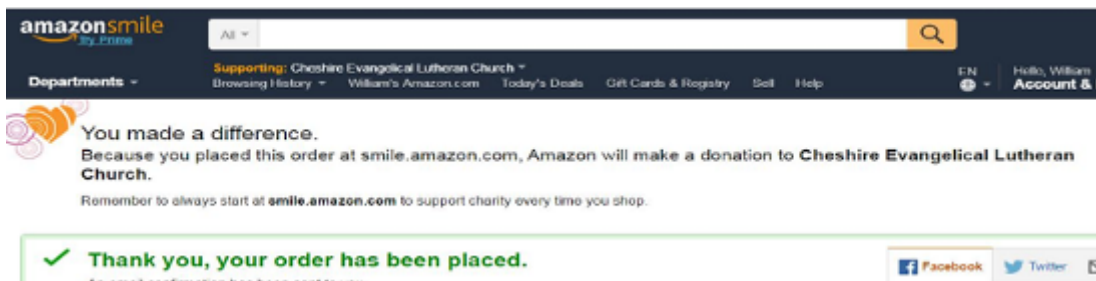

Rob DeLaubell  
Stewardship Deacon

## NEWS FROM THE HOUSE & GROUNDS DEACON...

Hi everyone, it's fall y'all and House & Grounds has been busy with the streaming and new lighting for the church.

In the last article, I told you about HB Communication installing our new streaming equipment in early October. What I didn't realize at the time was once the equipment was installed, we still needed to have their engineer come out and set the system up for streaming. As of this writing, HB is scheduled to come out the end of October to set up and test the system and give us a tutorial on how to use it. Our plan is to start using the new equipment in November with one camera and expand the capabilities as we become more comfortable with the system. I will share more information with the congregation as we get closer to going live on the new system.

The other project this fall is the lighting for the sanctuary and parking lot. I received word from PTE Energy (our lighting contractor) that they were experiencing delays getting some of the lighting equipment (specifically the fixtures for the spotlights for the cross) and the delivery date is late November. They will try to expedite the order and keep me informed of their status. As it stands now, we are looking at early December for our new sanctuary lighting.

Lastly, I'm working with Karen Bailey on getting a memorial bench in honor of Martha Henderson to put at Little Cherubs. We have a bench picked out and need to order it and the plaque.

The holidays will be here before you know it and I will need help decorating the Church and getting a Christmas tree. Check the bulletin board for updates. Before I go, I would like to give a shout out and big thank you to our president, Steve Feero for his work on the streaming service. Steve ran a new ethernet cable to the streaming equipment near the choir loft and upgraded our ethernet switch in the basement. He did such a good job, no one even noticed!

Andy Clark  
House and Grounds Deacon

## NEWS FROM THE WORSHIP DEACON...

*You are cordially invited to be a:*

- † **Reader**
- † **Usher**
- † **Greeter**
- † **Singer or Ringer**
- † **Altar Guild**

For a typical four Sunday month, there can be at least 70 "periods of service" when members usher, acolyte, read lessons, greet other members before service, and prepare the altar. (And this does not count the choir's musical offerings that make our worship special).

If you haven't been able to help in any of these areas and now are willing to assist, or would like to start, please contact Tim!

Thank you in advance!  
R Tim Weiland, your CLC Worship Deacon

## STATUS OF COVID -19 PRECAUTIONS AT CLC

...

Please remember that there are still some Covid precautions in place at CLC due to the continuing impact of the Delta variant on our community. We are still wearing masks inside the Church building (but not outside) and we also continue to limit the number of households at the altar rail at one time during Communion. People are, however, allowed to share the greeting of peace in whatever way they are most comfortable.

Our process of gradually lifting the last of the practices that we put in place to help keep everyone safe continues to remain paused, but we look forward to being able to resume it once the members of the Wellness & Safety Committee determine that it is appropriate. We ask your patience and understanding until that time. If you have questions about any of our Covid precautions, please feel free to speak to Pastor Rowold or any of the members of the Wellness & Safety Committee. Take care of yourself and stay healthy.

## CLC HELPING HANDS...

Thank you to all who have offered and provided help with meals, transportation and visits in the past. As we continue to reach out and remain available to those in need, I would like to update my "membership list ". A sign up will be posted on the narthex bulletin board for current and new members. Please include your name, phone number and email as well as your ability to provide meals, transportation or visits. Thank you in advance!

"Helping Hands" of CLC is designed to match members' talents and time availability with those in need within our church family. In the past, this has formally included meal preparation and transportation needs and occasional visitation. Informally, there is a lot of helping "behind the scenes" from women and men in the congregation who see a need and respond to it. It is likely there are others who have needs and those who would be inclined to help, but are unaware of the needs. Helping Hands is organized to meet the needs of both groups, men and women, singles and families.

### Assistance During COVID-19:

Please consider requesting assistance such as meals, transportation, occasional errands, minor household repairs, and visitors. Please know that Helping Hands may be able to help during this *Coronavirus* quarantine chapter in our lives. If you are in need of groceries or other essential items, or just want a daily or occasional phone call, please contact Sally at the number below.

Those able to offer occasional time and your talents, please sign up on the bulletin board, indicating your "offering".

Thank you for your prayerful consideration. Please contact the church office (203-272-5106) or me to request assistance or for any concerns or questions. Please note that all information will be confidential.

Sally Schrumm, Chairman  
(phone 203-710-0753)

## THE RIPPEL REPORT—NOVEMBER 2021..

Veterans Day November 11, 2021 formerly Armistice Day November 11, 1918

On the 11<sup>th</sup> hour of the 11<sup>th</sup> day of the 11<sup>th</sup> month, the warfare of WWI mercifully ended.

Following the Armistice, our thankful nation decided to honor all our military branches in achieving the final victory. The US Congress enacted a change in the annual calendar. November 11<sup>th</sup> would be observed as Armistice Day in honor of the sacrifices, courage and accomplishments of WWI service members. The name and purpose would be changed after WWII. Over 16 million armed forces personnel would also be honored on this date. An all-inclusive further change would be made. This would add all service personnel to include National Guard, reservists, nurses, workers, cops, and merchant marines who served in wartime. The designated new name would be Veterans Day, which remains today.

### How Did "Taps" Originate.

The origins of "Taps," the distinctive bugle melody played at U.S. military funerals and memorials and as a lights-out signal to soldiers at night, date back to the American Civil War.

In July 1862, U.S. General Daniel Butterfield and his brigade were camped at Harrison's Landing, Virginia, recuperating after the Seven Days Battles near Richmond. Dissatisfied with the standard bugle call employed by the Army to indicate to troops it was time to go to sleep, and thinking the call should sound more melodious, Butterfield reworked an existing bugle call used to signal the end of the day. After he had his brigade bugler, Private Oliver Wilcox Norton, play it for the men, buglers from other units became interested in the 24-note tune and it quickly spread throughout the Army, and even caught on with the Confederates.

Not long after Butterfield created "Taps," it was played for the first time at a military funeral, for a Union cannoner killed in action. The man's commanding officer, Captain John Tidball, decided the bugle call would be safer than the traditional firing of three rifle volleys over the soldier's grave, a move which couldn't have been confused by the nearby enemy as an attack.

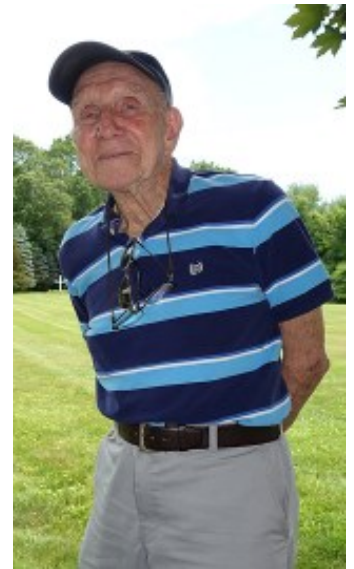

As for the name "Taps," the most likely explanation is that it comes from the fact that prior to Butterfield's bugle call, the lights-out call was followed by three drumbeats, dubbed the "Drum Taps," as well as "The Taps" and then simply "Taps." When Butterfield's call replaced the drumbeats, soldiers referred to it as "Taps," although this was an unofficial moniker, according to "Taps" historian and bugle expert Jari Villanueva. He notes that Butterfield's bugle call was officially known as "Extinguish Lights" in American military manuals until 1891. Since that time, "Taps" also has been a formally recognized part of U.S. military funerals.

Today at Berkeley Plantation, the historic estate located at Harrison's Landing, there's a monument commemorating the origins of "Taps" at the site. Berkeley Plantation also happens to be the birthplace of Benjamin Harrison V, a signer of the Declaration of Independence, and William Henry Harrison, the nation's ninth president.

"Taps" is derived from the same source as "Tattoo".

"Taps" is sometimes said to originate from the Dutch *taptoe*, meaning "close the (beer) taps (and send the troops back to camp)". An alternative explanation, however, is that it carried over from a term already in use before the American Civil War. Three single, slow drumbeats were struck after the sounding of the Tattoo or "Extinguish Lights". This signal was known as the "Drum Taps", "The Taps", or simply as "Taps" in soldiers' slang.<sup>1</sup>

Respectfully submitted  
C. Rippel

## MEMORIAL GARDEN & COLUMBARIUM NEWS...

The Columbarium Committee continues to communicate and meet regularly to discuss status of Inurnment Subscription and Memorial Plaque purchases.

### Subscriptions

- ✚ There are currently 35 inurnment subscriptions & 4 pending possibilities
- ✚ We have 19 memorial plaques purchased, 3 new and one pending possibility

Linda Gancarz will research the possibility of getting a small number, made by the plaque engraver, to designate the section # of each of the 22 sections of the Columbarium. This would help family and friends easily locate positions of loved ones and would also be useful to new subscribers when deciding on a location.

### Flags

Flags will be placed on the Columbarium for Veterans Day, November 11-14.

The following congregants now rest in our hearts and whose remains are a reminder to remain steadfast in hope and faith that we will be reunited.

# Bible Studies at CLC

## ADULT BIBLE STUDIES...

Come and join us as we dig deeper into God's Word together in Bible Study.

Sunday morning Bible study meets every Sunday morning between the services at 9:10 a.m. in the Church Library for everyone who is able to be with us in person. We are currently working our way through a study that looks at several of the miracles that Jesus performed during His earthly ministry.
